

DANE COUNTY LOBBYIST REGISTRATION

This form is for registration as a paid lobbyist where the lobbyist has made or expects to make more than 2 contacts on behalf of any one principal in any 6 month reporting period (January 1 to June 30 or July 1 to December 31) or where the principal has expended or expects to expend more than \$500 in the reporting period. Qualifying contacts are contacts with county board supervisors (other than one's own supervisor) made privately, other than by the lobbyist's appearance at a public hearing or public meeting. Qualifying contacts may be either oral or in writing. A paid lobbyist is required to file a separate financial form for each qualifying principal.

The key elements to remember are: lobbying for pay or incidental to other paid duties for a principal; lobbying by other than an appearance at a public hearing or meeting; and then either more than 2 qualifying contacts with supervisors or a principal who has spent or will spend more than \$500 in this reporting period for lobbying activities. If you do not meet these criteria, you need not complete this form at this time. If you later make more than 2 contacts or you later learn that your principal will spend more than \$500 during this reporting period, you must immediately file this form with the County Clerk, within 10 calendar days after making the 3rd contact or after learning of the increased expenditure by your principal, as appropriate.

If you have already completely filled out a registration form with respect to each principal you represented at a public hearing or meeting during this 6 month reporting period, you need not complete this form. Your previous registration will suffice.
